(MONROVIA, LIBERIA JULY 14, 2022) THIS IS TO INFORM ALL MEMBERS OF THE LIBERIAN NATIONAL BAR ASSOCIATION (LNBA), that the leadership of the LNBA expresses deep concerns regarding information relating to the upcoming African Bar Association Conference scheduled to be held in Lilongwe, Malawi.

The LNBA hereby informs all of its members that it is not aware nor is it involved in the planning or organization of such conference.

The African Bar Association (AfBA) has not at any time officially contacted the LNBA regarding this conference and as such, the Bar is not involved with any activities relating to the pending conference.

However, individual members of the LNBA who are desirous of participating in the pending conference of the African Bar Association, may do so at their own volition.

It can be recalled in 1971, that the African Bar Association (AfBA), was established as a professional body uniting individual lawyers and national legal associations in Africa. The African Bar Association was designed to be a federation of national legal associations, corporate and unincorporated legal entities, and individual lawyers.

The LNBA is open to officially interact with international and regional organizations to enhance the rule of law system globally.

Signed: _____

Cllr. Bornor M. Varmah/National Secretary General LNBA
